🍏 Teaching

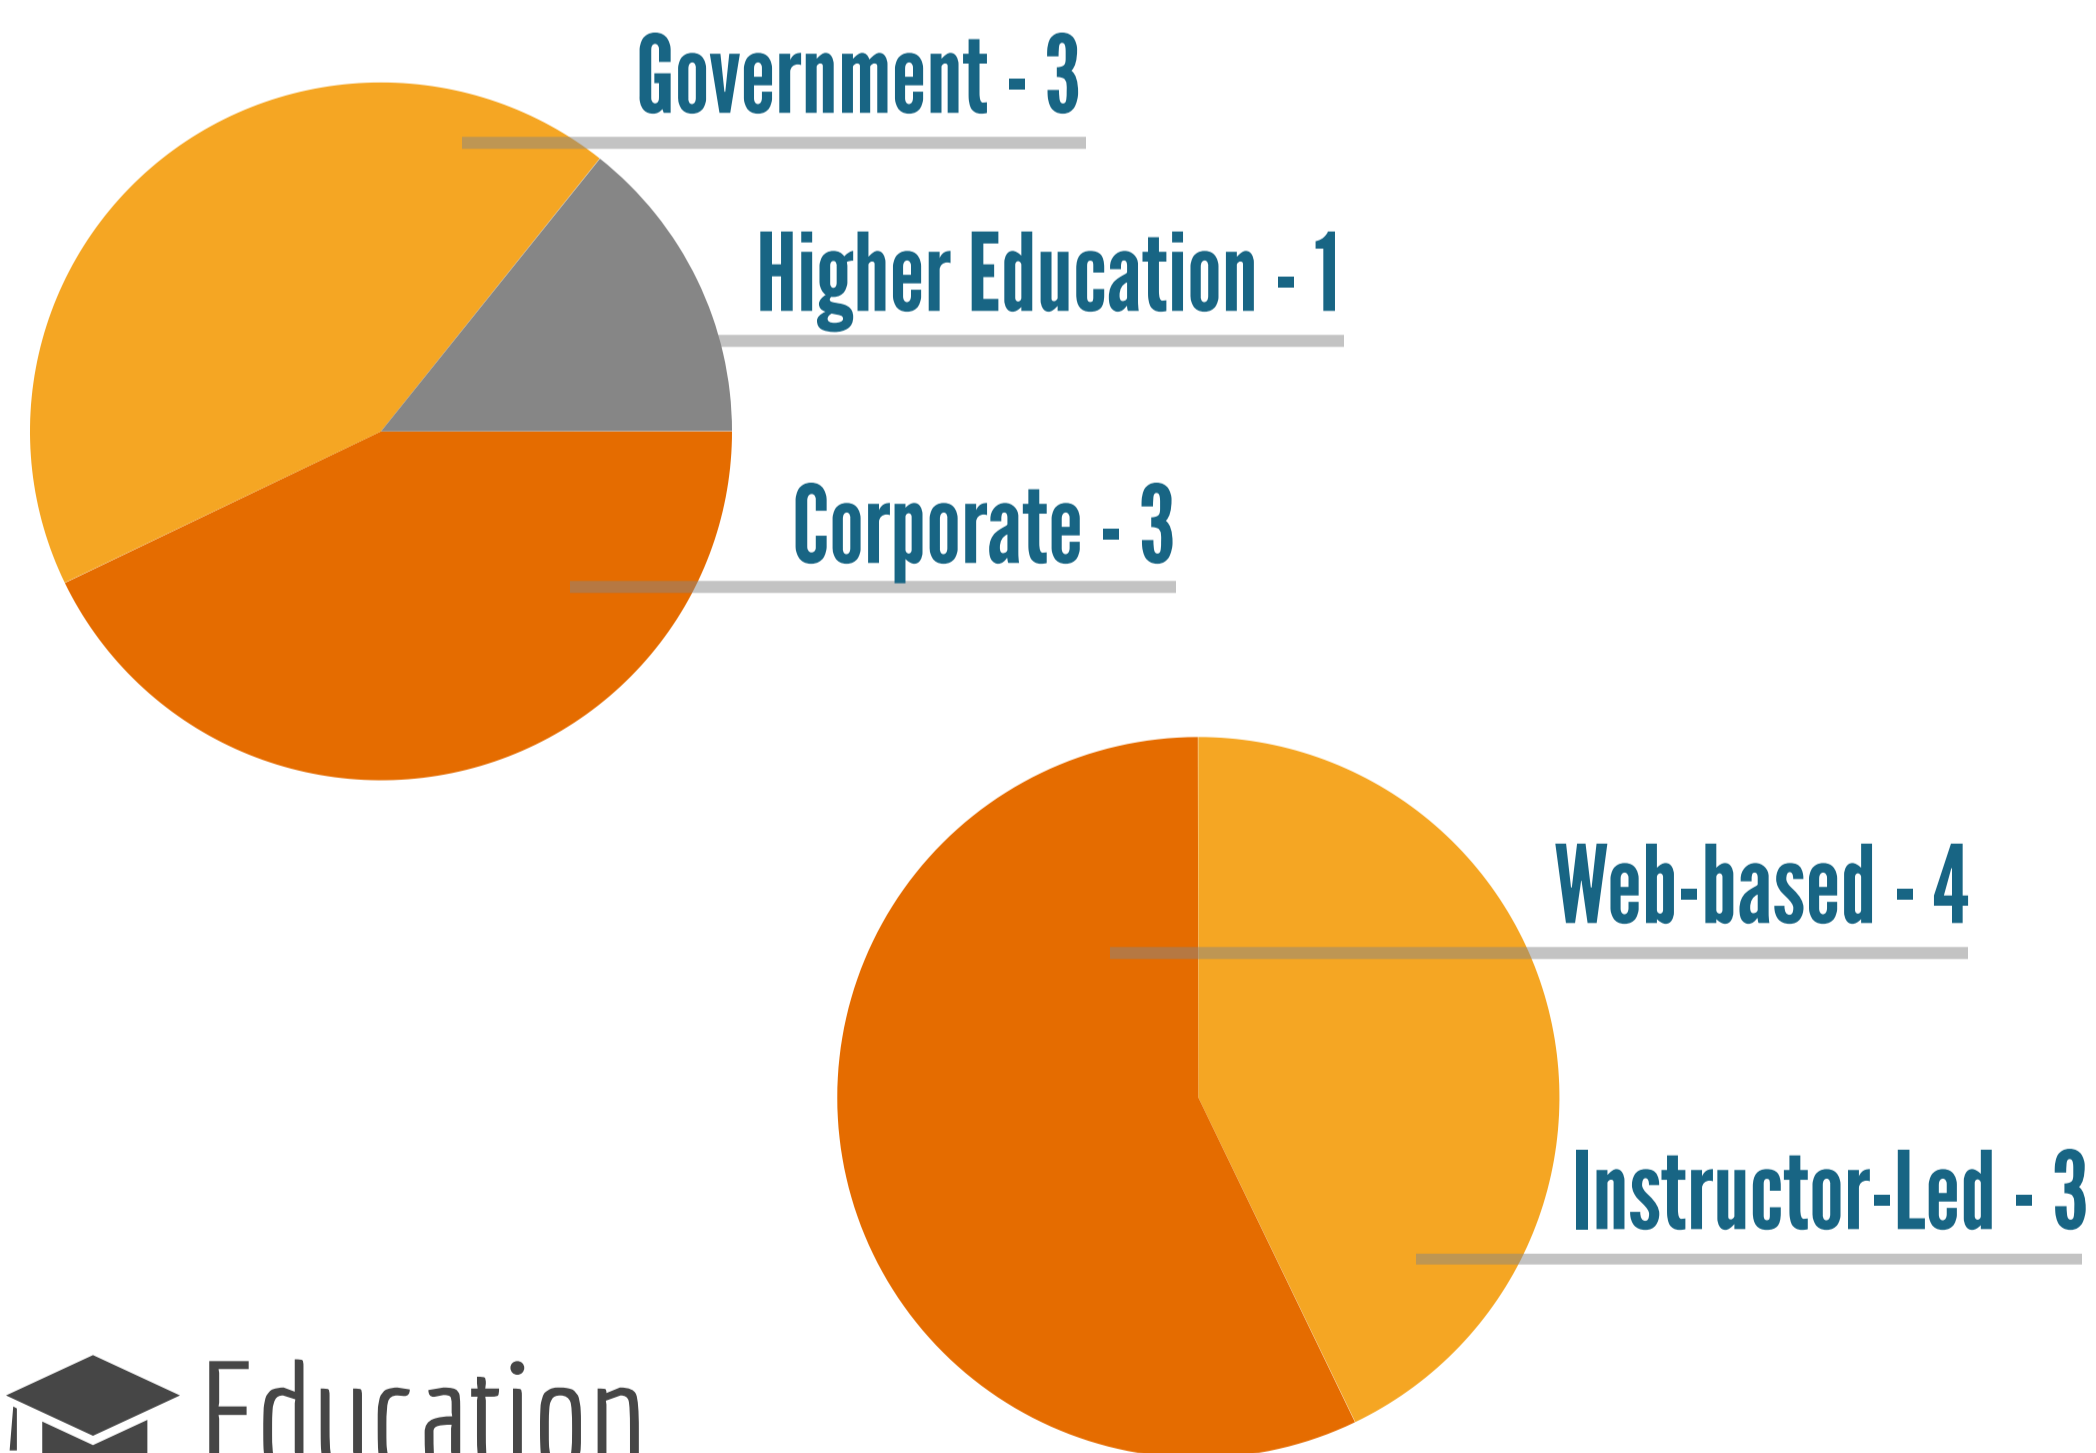

📖 Research & Publications

✍ Curriculum & eLearning Design

Coming from a background in education, I have a myriad of experiences in curriculum and eLearning design. I have worked in government, academic, and corporate settings, and I have built both instructor-led and web-based instruction. I have participated in every step of the process from needs assessment to the evaluation.

NEEDS ASSESSMENT

- SME communication
- Online surveys
- Instructional analysis

CURRICULUM DESIGN

- Objective writing
- Assessment
- Scope & sequencing
- Formative & summative assessment

E-LEARNING DEVELOPMENT

- Interactive learning
- Instructional videos
- Authoring tools
- Visual Design
- Voice over

EVALUATION

- Qualtrics
- User testing
- Usability studies
- Focus groups

PROFICIENCIES

- Articulate 360
- Microsoft 365
- LMS (Canvas, D2L, Cornerstone)

INTERNATIONAL PAPER
